Registration deadline for exhibitors at the OilDoc Exhibition is **April 15, 2027.** The number of booths is limited and we highly recommend to register as soon as possible. **Assignment of Booth Space:**

The positioning of the booth depends on the general availability, the requested size of the booth, special needs and the exposed goods/services. As a matter of course we try our best to meet your needs concerning the position of the booth. However OilDoc reserves the right to assign space other than requested, if necessary, and the right to relocate any exhibitor and to rearrange the floor plan. The final floor planning will be done in April 2027. Then you may receive your binding final booth number.

**Payment:**

After your registration, we will send you the invoice which is payable before March 31, 2026. The terms of payment mentioned on the invoice must be followed.
Full payment of the invoice amounts is a requirement for access to the exhibition space.
